

## Acquiesce

**Dm(add9)/A**

A hundred yellow taxi cabs

**Gm7**

Are floating by your door

**Bbmaj7**

But you don't wanna go no more

**A9**

Hangin' out on your front porch

**Dm(add9)/A**

The autumn's in the leaves

**Gm7**

The dew is on the ground

**Bbmaj7**

Air's so crisp it makes a sound

**A9**

Breathe in all the sweet surround

**Dmaj7**

Lean into the new horizon

**Fmaj7**

Then just turn away

**Gma7/B**

**A7**

**Bbdim7**

Memories are tethered to your waist

**Dmaj7**

One less sour bitter-sweetness

**Fmaj7**

For your tongue to taste

**Gma7/B**

Fall into that warm embrace

**B7**

You feel a touch

**Dm(add9)/A**

And then you... acquiesce

**Dm(add9)/A**

A hundred million tiny drops

**Gm7**

Against your window pane

**Bbmaj7**

Listen to the tumbling rain

**A9**

You can feel the seasons change

**Dm(add9)/A**

Best without, and not within

**Gm7**

The places that you hide

**Bbmaj7**

**A9**

The faces that you hide away from me

**Dmaj7**

But you lean into the new horizon

**Fmaj7**

Just to turn away

**Gma7/B**

**A7**

**Bbdim7**

Memories are tethered to your waist

**Dmaj7**

There's one less sour bitter-sweetness

**Fmaj7**

For your tongue to taste

Fall into that warm embrace

**B7**

You feel that touch
