

DON'T LET IT GO TO YOUR HEAD

words & music by Sven-Erik Seaholm

Don't let it go to your head
Don't believe everything just 'cause it's said
Don't let it go to your head
Stand upside down

Just let it into your heart
Cause it's what you've been looking for right from the start
So just get it into your heart
Get out of the way

I'm mad about it
No need to doubt it
Baby, you drive me out of control
But now it's show time
Not 'got to go' time
So shoulder to the wheel and let it roll

I let you under my skin
But I want you out of there now that you're in
Come out from under
You beautiful fucked-up thing

I'm here to tell you
If you want hell
You carved your monogram into the right door
So baby, back off
Cut us some slack off
'Cause this is not the time to start a war

Don't let it go to your head
Don't believe everything you tell yourself
Don't let it go to your head
Stand upside down
