

Gandhi Song

| Am | E7 | D7 | |

G **E7** **Am**
Sometimes it feels like I've every hug that I've given
D7

Wasn't hard enough

G **E7** **Am**
Sometimes it seems like the best I had
D7

Just wasn't good enough

G **Dsus4/F#** **Em**
Sometimes seems like all the time...

G **E7** **Am**
Maybe it's only the time of year
D7

Makes us feel it there

G **E7** **Am**
Maybe too much of a good, good thing
D7

Spilled over everywhere

G **Dsus4/F#** **Em** **Em/G**
Maybe you know more than me
Am **D7**
There's so much more than what we see

Am **E7**
Watching the lights all flicker out

Am **E7**
Under a starry sky

Am **E7**
Spinning all around

D7
We go down

(Chorus)

C
Maybe smoke & mirrors

Cm
Smoke & mirrors...

Am **E7** **D7**
Under a starry sky, we go down...
