E **Bm** **A**
E **Bm** **A**
E **Bm** **A** **C**
E **Bm** **A**

E **Bm** **A**
In the deepest blue before the sunrise

E **Bm** **A**
You're still lying wide awake

E **Bm**
A smile no longer hides

A **C**
The pain within your eyes

E **Bm** **A**
You've had all that you can take

G **A** **E**
Touch my hand now I will heal you

G **A** **E**
A moment's doubt and life can slip through

G **A**
Another time and place

G **A**
A different rhyme and face

G **A** **B**
I could give you what you need
I can heal you

(intro)

E **Bm** **A**
Take a moment for reflection

E **Bm** **A**
Think of all the love you lost

E **Bm**
Passions tip the scale

A **C**
In favor of it all

E **Bm** **A**
But it is it worth what it will cost? No...

(Chorus)

G **F#7**
Just living day to day
Bm **E**
Can be so very hard
G **A** **B**
But isn't that the way it's supposed to be?

E **Bm** **A**
E **Bm** **A**
E **Bm** **A** **C**
E **Bm** **A**

E **Bm** **A**
Another broken heart condition
E **Bm** **A**
One more story's bitter end
E **Bm**
And at your feet is now
 A **C**
What once was in your veins
E **Bm** **A**
Didn't you know you had a friend?

(Chorus)

E **Bm** **A**
E **Bm** **A**
E **Bm** **A** **C**
