

# LET IT ALL FALL DOWN

*Guitar Capo 3<sup>rd</sup> Fret, Actual Key: Bb*

**G G/F# Em7 G Cadd9**

I'm not angry with you now

**G G/F# Em7 G Cadd9**

I'm just letting you know how it is

**D5/F D5/E D5 D5/F Cadd9**

And I won't even think twice

**G G/F# Em7 Cadd9**

I was your steadfastest friend to the end

**D5/F D5/E D5 D5/F Cadd9**

Now I can't even talk nice

**C D G**

Let it all fall down

**Cadd9 D**

Let the threads come undone

**C D Em**

Let it all fall down

**Bm**

Unravel it

**G G/F# Em7 G Cadd9**

I'm not looking at you now

**G G/F# Em7 G Cadd9**

Doesn't mean that you're not on my mind

**D5/F D5/E D5 D5/F Cadd9**

But you took things for granted

**G G/F# Em7 G Cadd9**

And that turned me to stone

**G G/F# Em7 G Cadd9**

mmm...

(chorus)

**A7**

Emails and eloquence

**A7**

Offered in self defense

**E7**

Cactus and consequence

**E7**

Look at the love you've spent

**C7**

Searching for the Judas kiss

**C7**

**D7**

When that taste was on your lips

**C D G**

Let it all fall down

**Cadd9 D**

Let the threads come undone

**C D Em D C**

Let it all fall down, down, down...

**G Dsus Em7 Cadd9 /c /b /a**

Down, down, down, down...

**G Dsus Em7 Cadd9 /c /b /a**

Down, down, down, down...

**G Dsus Em7 Cadd9 /c /b /a**

Down, down, down, down...

**G Dsus Em7 Cadd9 /c /b /a**

Down, down, down, down...

**||: G Dsus Em7 Cadd9 /c /b /a :||**

**G Dsus Em7 Cadd9**

I'm just letting you know how it is...
