

Listening

words & music by Sven-Erik Seaholm

So much to say
We fail to communicate
Tossing and turning
I'm throwing the pillow away
Still I say
I've done nothing wrong
Maintaining my innocence
I'm not guilty
I've been right here all along

Listening, I'm not listening
I'm waiting for my turn to speak
Listening, I'm not listening
I'm waiting for my turn
Waiting for my turn...

5:55

The sun finally shuts my eyes
With issues for breakfast
I'm sitting with myself and I
And 8 to 5 is one more place to be
Where the silence is deafening
Change my position
Modify my plea

(chorus)

Waiting for my turn
Waiting for my...turn

(chorus)
