

SET FIRE

A7

Public displays of secret faces

A7

Concealing all but minor traces

D7

Of the wildest truths untold

A7

From pages still left to unfold

D7

The origami of desire

A7

Whose creases keep that fever

A7

Burning hotter & higher

E7

Can mutilate and it can spindle, too

D7 //

But I will not set fire to my life for you

A7 | |D7 |E7 |A7 |C E7sus |A7|E7 |

A7

Words mix the potion, I spin the notion

A7

To swim the ocean that you pour for me

D7

And so you linger hook, line & sinker

A7

Wrapped around my fingers like a rosary

D7

Always seems initially a decent exchange

A7

Pants full of promise for a shirt full of pain

E7

Same flame been burning since my youth

D7 //

But I will not set fire to my life for you

A7 | |D7 |E7 |A7 |C E7sus |A7|E7 |

D7

You trade devotion like a currency

A7

But when you win my love you purchase everything

E7

Basically, just minutes are what's being consumed

D7

C7

'cause I would not set fire no, I would not set fire

D7

E7

I would not set fire to my life

for you....
