

TRICKLE DOWN

Bm(add E) / |/////| G6 //|/////|
Bm(add E) / |/////| G6 //|/////|

Bm (add E) G6

Between the first and second bites

Bm (add E) G6

I found time to think about us

Bm (add E) G6

You look so beautiful tonight

Bm (add E) G6

But we've got things to discuss

A(add9)

And you know what I'm talkin' 'bout

Bm(add E) //|/////|/////|/////|

You know

Bm (add E) G6

Don't I treat you with respect?

Bm (add E) G6

Didn't I build my world around you?

Bm (add E) G6

Tell me, what should I expect?

A(add9) Bm(add E)

Maybe I'm about to...

Bm (add E) G6
Love may trickle down to ya
Bm (add E) G6
When you make that sacrifice
Bm (add E) G6
Love may trickle down to ya
A(add9)
And you know what I'm talkin' 'bout
Bm(add E)
You know

G6 Bm(add E)
mmm...mmm...mmm...
G6 Bm(add E)
mmm...mmm...mmm...

Bm (add E) G6
Tell me, what should I deserve?
A(add9) Bm(add E)
Well baby, maybe I'm about to

Bm (add E) G6
Love may trickle down to ya
Bm (add E) G6
When you hold my heart up high
Bm (add E) G6
Love may trickle down to ya
A(add9) Bm (add E)
And you know what I'm talkin' 'bout, yeah
