

TURN AWAY

G6
Turn away
Am7
I know it's nothing
Cadd9
But it's always something
Dadd9
Not quite the same thing
G6
Turn away

G6
Look away
Am7
Stare at the ceiling
Cadd9
I know you're reeling
Dadd9
But bottle your feelings
G6
And look away

G6/A **G6/B** **Cadd9**
Cause it's a long, long way to go
G
To reach down that deep
Am7
You're losing control
G6
And you need sleep

G6
Walk away
Am7
Into the sunset
Cadd9
The painting is still wet
Dadd9
We'll hang, but not yet
G6
Just walk away
G6/A G6/B Cadd9
Whitewater in your veins
G
Feel it crash against your heart
Am7
Turning to rain
G
Let the healing start

G6
Turn away
Am7
Remember the moment
Cadd9
It's yours and you own it
Dadd9
But now you've outgrown it
G6
Turn away
Am7 Cadd9 Dadd9

G6
Turn away
